You are invited to join the **Okanagan Periodontal Study Club** for Dental Hygienists for 2015. This will be our 19th year and we are planning to make it an exciting and informative one. This is an excellent opportunity for continuing education and to network and socialize with your colleagues. This year we have scheduled **4 full day Saturday sessions**. There will be 2 meetings in the spring and 2 sessions in the fall. The annual membership includes a light breakfast, lunch, coffee breaks and 6 hours of CE credits for each session! Given the rising costs associated with our meetings, for the first time in ten years the registration reflects an increase from \$75 per session to \$87.50. Thanking you in advance for your continued support of the OPSC.
